

Lewis Nelson Vermilyer
March 28, 1923 – October 20, 2012

Lewis a much loved and respected member of our family will be remembered for his interest and many contributions to our genealogy. The first annual Vermilyer Family Reunion was organized by Louis and his mother Liesetta Charlotte (Schlaudruff) Vermilyer in 1955 and was held at City Park in LaPorte, Indiana. Louis continued to organize yearly reunions for at least twenty years. After that several different family members took over and reunions are still being held yearly near or at LaPorte, Indiana. Lewis was in attendance at the 2012 Reunion.
